

About EA PRO NANTES

We are an international PR/press agency, founded in Nantes, France, in 2013. Our mission is to raise the profile of our customers' activities through effective public and press relations in Africa, French-speaking Europe and Canada and the Middle East.

We also help our customers to draft their PR documents and to give the best performance during their interviews.

Our Work Process

With a network of over 3,500 journalists in 50 French-speaking countries on four continents, our PR agency will help you get your message out instantly.

We'll be with you from the moment you set up your PR strategy right through to compiling your press review, writing your PR documents, distributing your press releases, organising your PR events and arranging interviews with the major media.

Why Choose Us

Our expertise and thirty years' experience at the service of companies, international organisations, NGOs and governments.

Our knowledge of the international media, our networks, our press database and our reasonable prices

Our references are detailed on our website
